Mr. Chas. F. Lummis,
200 East Avenue, 43,
Los Angeles, California.

Dear Sir:

The enclosed bill was received. We have looked it up and find that the first bill was dated September 10, 1924, and was paid by check, dated December 9, 1924.

If this does not straighten the matter up we can trace the check back thru the Auditor General's department.

Very truly yours,

Anna A. MacDonald
